SBIOA [CC] SPORTS WING **UNITY THROUGH SPORTS**

Circular to All Members:

10th September 2014
SPORTS BULLETIN No: 1 /2014

Dear Comrades,

ANNUAL SPORTS EXTRAVAGANZA SET TO BEGIN

Our annual sports carnival is set to begin on the 14th of September 2014. Our Association takes pleasure to inform comrades, that the 24th edition of the Annual Sports Inauguration will be held at our SBIOA school grounds and at our indoor stadium from 14th September 2014. This year the sports meet will **be inaugurated by our former Indian Volleyball player Mr. A. Sivraman**, Senior Manager from IOB. The Association invites all members to participate in large numbers with their family with the usual zeal and enthusiasm. On behalf of our Association our Sports wing takes pride and thanks all comrades for their unflinching faith in the association and continued support to all our activities.

SBIOA Chennai Circle is pioneer in promoting sports, recognizing and rewarding sportsmen who have sacrificed a greater part of their good life, time and family to keep the brand SBI aloft. Demanding work, monotonous job routine, stress and strain, sacrificing the weekends to discharge their duties with utmost diligence and commitment has been the order of the day for any official of SBI. Our visionary leaders felt the need to break the shambles, to find a way to relax and to rejuvenate in order to ensure quality life for the comrades. Our leaders also felt that forming an active Sports Wing is the best remedy to reduce the stress of a demanding work culture, to promote unity, togetherness, belongingness, sharing and caring among the Comrades. The tremendous response extended by our comrades for all the earlier editions of sports meet is the ample proof of our success.

The sports committee headed by our Treasurer and Director, Sports Wing Com. K. Bavani Sankar held the meeting on 08.09.2014 at our Association office. The meeting was well attended by our Com. A.Krishnan, President, Com. Thomas Franco Rajendra Dev, General Secretary, Com. A.V.Joseph, Reg. Secretary, Chennai-1, and Com. A. Ravichandran, Reg. Secretary, Chennai-2, along with our Circle and Module office bearers, Unit Secretaries, eminent sportsmen of our bank and other sports loving comrades of our Association. Our President and Chairman Sport's wing in his address requested all the sports loving comrades to participate in large

numbers with their kith and kin, exhibit high degree of sportsmen spirit and extend solidarity to keep our flag flying. Our dynamic General Secretary shared the recent developments in the banking scenario and also thanked for the support given by our comrades in the recently concluded election. He also emphasized the need for more participation from our young brigades for the games.

It has been decided that like the previous years, all the matches will be played on Sundays commencing from 14th September 2014. The matches will commence at 7.00 am to avoid sweltering heat and humidity. Members are requested to report to their respective Zonal Secretaries well in time and take part in large numbers and also ensure to play for the respective modules and zones. **Like every year, Sportsmen members of our Bank, will be spread equally to each Zone to make the events more competitive and interesting.** It has been decided to rotate the sportsmen comrades from the zone which they represented last year to new zone.
